

Kansas Turfgrass Foundation Membership Dues for 2023

As a member you have an opportunity to vote, hold office, and help make decisions in the functioning of the organization. You will also receive a quarterly newsletter, notices for upcoming events, and special mailings. Your dues also support turfgrass research and education. Membership improves your image as a professional. Hopefully, you will want to support your profession.

A **2023 Kansas Turfgrass Directory** will be sent out in February. To have your name/business included in this directory, we need to receive your dues payment with the completed form by **January 20**. Please write clearly below the name of the individual you want listed as the person representing the company paying 2023 dues (\$75) with mailing address, phone number, and e-mail for use in the directory. **Please make sure to include your e-mail address so you can receive newsletters and special announcements electronically.**

If there is anything we can do to make the organization more beneficial to you, please let me or any of the board members know. Your membership and support is appreciated!

Jack Fry
Secretary-Treasurer
