Manhattan, KS 66506-5507
(785) 532-6173

The turf and ornamentals field day program is designed for all segments of the turf and ornamentals industry — lawn care, athletic fields, golf courses, nursery, landscape, and grounds maintenance. Included on the program are research presentations, problem diagnosis, commercial exhibits, and equipment displays. There will be time to see current research, talk to the experts, and get the answers to your questions.

We hope to see you on **Thursday, August 4!**

Jack Fry
Extension Turfgrass Specialist

Kansas State University Agricultural Experiment Station and Cooperative Extension Service
K-State Research and Extension is an equal opportunity employer. Issued in furtherance of Cooperative Extension Work, Acts of May 8 and June 30, 1914, as amended. Kansas State University, County Extension Councils, and United States Department of Agriculture Cooperating, Ernie Minton, Dean.

Extension Horticulture
and
Kansas Turfgrass Foundation**

Turf & Ornamentals Field Day August 4, 2022

8:00 a.m. Registration (coffee, donuts)
Visit Exhibitors

8:45 Welcome

9:00 Tour Highlights:

- ◆ **New Zoysiagrass Cultivar finds its Way Out!** — Dr. Ross Braun & Dani McFadden
See the new cultivar coming out—cold and large patch tolerant; good spring green-up and fall color; and drought tolerance better than Meyer.
- ◆ **Turf & Ornamental Disease Update** — Dr. Megan Kennelly
In this stop we will talk about all the turf and ornamental hot topics from 2022.
- ◆ **New Cold Hardy Bermudas** — Dr. Jack Fry and Dr. Yanqi Wu (Oklahoma State Univ.)
OSU has released numerous bermuda cultivars that are hardy—hear about new ones coming soon!
- ◆ **Keeping Ponds Clean** — Dr. Joe Gerken
We will explore common reasons for excessive growth of plants and algae in aquatic systems and discuss treatment options to control plant growth in your pond.
- ◆ **Conifer Trial Evaluation** — Tim McDonnell
We will re-visit the 2010 conifer trial and herald the winners and mourn the losers. Since their arrival in Kansas, they have been through a lot!
- ◆ **Tree Research** — Dr. Cheryl Boyer
Come learn about new ornamentals suited for Kansas!

- ◆ **Update on Hemp** — Dr. Jason Griffin
The Pair Center has been home to extensive industrial hemp research since 2019. Come hear about it!
- ◆ **Bug Mania: Update on Turfgrass & Ornamental Insect and Mite Pests** — Dr. Raymond Cloyd
This stop will discuss the major insect and mite pests of turfgrass and ornamental plants and how to best manage insect and mite pest populations. Be sure to bring “bug” samples and questions.

11:30 Box lunches will be available to take as you leave.

Credit Hours

Pesticide recertification credit hours for commercial pesticide applicators:

1 hr in 3B and 1 hr in 3A
AND
.25 GCSAA education points

Exhibitors

Equipment exhibitors can set up the day before (August 3). Please contact Christy at (785) 532-6173 if you are interested in exhibiting at the field day on August 4.

Kansas State University is committed to making its services, activities, and programs accessible to all participants. If you have special requirements due to a physical, vision, or hearing disability, or a dietary restriction, please contact Extension Horticulture at (785) 532-6173.
