February, 2026

Welcome to the 2026 Member Directory. The Kansas Turfgrass Foundation has been in place in 1950, and is an organization composed of turfgrass professionals from all segments of the industry including golf courses, sports turf, lawn care, grounds, parks and suppliers. Anyone who derives at least part of their income from maintaining, installing, or selling turfgrass, equipment, products or related supplies are eligible for membership.

The primary purpose of the Kansas Turfgrass Foundation is to support turfgrass research, extension, and education. Members of the turfgrass team at Kansas State University conduct turfgrass research in Manhattan, Olathe, and Wichita to support the needs of the industry. In turn, support from the industry enables this research to be done.

Educational programs include the annual turfgrass conference, field day, and the newsletter which is sent quarterly as part of your membership. Research results are published in a report provided to members and posted on our web site at <https://www.kansasturfgrassfoundation.com>. By clicking on "research" in the left column, you'll find research details.

This statewide organization also offers you an opportunity for professional improvement. Much knowledge is gained by interacting with your colleagues around the state and discussing ideas and problems of mutual concern.

We have a great source of information at the following websites;

KSU Turfgrass Website - <http://www.k-state.edu/turf/>

KSU Turf Blog - <http://blogs.k-state.edu/turf/>

K-State Turf and Landscape Team on Twitter: @KSUTURF KSU

Turfgrass Facebook Page - [Facebook.com/KSUTurf](https://www.facebook.com/KSUTurf)

Kansas Turfgrass Foundation Website - www.kansasturfgrassfoundation.com

This directory is divided into two sections. The first section has KTF members listed by individual and the second half, members are listed by business/golf course. We hope you find this directory useful.

Thank you for your support of turfgrass extension, research, and education in Kansas.

A \$1,000 contribution (at once or in installments) is all that is required to become a KTF Founder. Our goal is to recruit a total of 100 Founders over the next several years. These funds are untouched with the hope that one day accumulated interest will help support turfgrass research.

For more information on how to become a KTF Founders Society Member, contact Ross Braun at rossbraun@ksu.edu
